## **Words from the Head of Sixth Form**

The exam period is in full swing and students can start seeing the light at the end of the tunnel. For all students, it has been a long, tiring and mentally draining period in their school lives, but one that hopefully will give them the rewards they deserve on results day in August.

BFS Sixth Form is going from strength to strength and growing into an excellent A level provision within North Bristol. Our recent Ofsted inspection highlighted the good progress made by our students as a result of our teaching, learning and assessment within the Sixth Form. They also praised our clear ethos and sense of community, which is something we are looking forward to growing and developing with our new cohort next year.

This newsletter contains some important reminder dates, details of Enrolment days and about the Year 12 Induction Day. We hope to see all of our applicants either at our Q and A Brunch this Friday between 11:00am and 1:00pm, or on our Enrolment days with the superb results we know they are capable of.

### Cambridge HE+ Final

In it's inaugural year, BFS has taken part in Cambridge Universities HE+ Programme, being lucky enough to have students selected for its Widening Participation programme. Monday 14 May was the HE+ finale at City Hall, Bristol where six of our Year 12 students attended the Academic Poster presentation event. Throughout the year, these students had taken part in independent research supported by the HE+ event which is run by Cambridge University. Dan Whetton, Izzy Phillips and Christophe Hooper had their posters selected for the

competition judging, where Dan received a prize for one of the Top 5 posters. Harry Moss, Christopher McWhan and Matthew Ghosh also had their posters on display. It was a very proud day for Bristol Free School to see such talent and dedication represented by their academic posters.

### GCSE Results and Enrolment Days

We are holding 2 days of Enrolment into the Sixth Form. These are on Thursday 23 and Friday 24 August. Enrolment packs will be sent electronically in the coming weeks so students and parents can get prepared with the paperwork to make Enrolment straightforward. If you have any questions regarding enrolment onto courses please contact [sixthform@bristolfreeschool.org.uk](mailto:sixthform@bristolfreeschool.org.uk)

### Induction Day and starting at BFS

After enrolling onto courses on the 23 and 24 August, students will be invited to the BFS Induction Day on Wednesday 5 September. Students will get to meet their tutors and work collaboratively with their new Sixth Form peers.

Details of Induction Day will be sent electronically with the Enrolment packs.
