

Bristol Free School: Biometrics Consent Form

Dear Parent/Carer,

At Bristol Free School we use a cashless catering system which is based on biometric data; the system recognises the thumb of your child at the pay point.

In line with current legislation we operate an 'Opt In' policy and therefore require you to complete the form below in order that the biometric information of your child may be processed. Please be assured that the biometric information taken is an algorithm and not a fingerprint, and that this information remains within the School.

The School's privacy policy and information about the scope of the School's use of biometric technology is available at <http://www.bristolfreeschool.org.uk/biometrics-at-bfs.php> together with information about the Data Protection Act. I think these should reassure you if you are reluctant to give your consent as a matter of principle, but if not please contact the School.

Yours sincerely

Mr R Walker
Assistant Headteacher and Head of Sixth Form

Biometric System – Bristol Free School

I confirm that I wish my child to be registered on the School's biometric system.

I understand that I may withdraw my child's registration at any time by writing to the School.

Child's first name:	Child's family name:
Name of Parent/Carer:	Signature of Parent/Carer:
Relationship to child:	Date:

This form must be signed and returned at your enrolment interview
