## Year 13 Destinations

Of our 63 Year 13 students:

- 53 students went on to their chosen university courses. 41% to Russell Group universities. 3 students to Oxbridge places.
- 3 students have gone on to further college courses
- 1 student has gone into the army
- 2 students have gone onto higher level apprenticeships
- 4 students have gone into employment or are taking a gap year
- This year students leave us to go onto study a very wide range of courses at university including: Medicine, Politics, Biomedical Sciences, Music Technology, Psychology, Environmental Sciences, Physiotherapy, Criminology, Chemical Engineering, History, Automotive Engineering, Zoology, International Relations and Modern Languages, Fine Art, Computer Science, Interior Architecture, Computer Animation, Law, Business and Management, Economics, Human Biology, Navigation and Maritime Sciences, Chemistry, Mathematics, Spanish, Sport Science, Film, Speech and Language Therapy, English Literature, Midwifery, Veterinary Science, Engineering, Sports and Exercise Science and Graphic Design.
